

# MILITARY DICTATOR NAMED IN BAVARIA

## CHANGE IN POLICY IN RUHR DISTRICT NOT SATISFACTORY

**Berlin Government Upset by Unexpected  
Action Taken in Munich—Not Thought  
Actual Secession of Bavarian State Will  
Occur—Reported Many Troops in Bavaria**

(By the Associated Press)  
BERLIN, Sept. 27.—A state of emergency has been proclaimed by both the Stresemann government and the Bavarian government presided over by Premier Von Knilling and for the moment the situation in Germany is a complicated and uncertain one. No indication is manifested around government quarters tonight, however, to take on unduly tragic view of the turn of affairs created by the change of amenities between Berlin and Munich and the appointment as dictator in Bavaria of Dr. Von Kahr, who during his days as premier of that state was the special bane of the Berlin chancellor.

Altho Herr Stresemann and his associates were visibly nettled at the precipitate manner in which the Bavarian action was carried out the Berlin government heads tonight professed the belief that they once more have become the victims of Bavarian "idiosyncrasies," and seemingly realized their own inability correctly to appraise Munich psychology, despite their past experience with Bavarian diplomacy.

## DISCHARGE OF EMPLOYEES BY R. R. ATTACKED

**Hearing Had Before  
United States La-  
bor Board**

(By the Associated Press)  
CHICAGO, Sept. 27.—Charges that on evidence of an incompetent witness the Illinois Terminal company had discharged numerous employees were made by George T. Bannan, vice president of the Brotherhood of Railway Trainmen and H. H. Ferguson of Alton, Ill., vice president of the company at a hearing today before the United States railroad labor board.

Mr. Bannan said that conditions on the carrier were the worst in the country, and had caused more dissatisfaction among railway employees "than even the fight on the Missouri and North Arkansas."

S. A. Boone of Cleveland, Ohio, vice president of the Brotherhood of Locomotive Engineers and Firemen said that the company's tactics of discharging brotherhood officials had disrupted the branches on his line of both brotherhoods.

The hearing was in the reopened case of some 18 discharged employees.

Mr. Ferguson appeared with counsel.  
To Enforce Ruling  
E. J. Verlie of Alton, following the announcement of Chairman Ben W. Hooper of the board that he would carry the matter to the supreme court if Mr. Ferguson refused to comply with the ruling, said that he would carry the matter to the supreme court if Mr. Ferguson refused to comply with the ruling.

## Warning Is Sounded American Workmen

(By the Associated Press)  
PORTLAND, Ore., Sept. 27.—An unhealthy condition exists in the building industry in America and workmen engaged in it should prepare for the "rainy day" which must follow the collapse of the present boom, in the opinion of John Donlin, president of the Building Trades Department of the American Federation of Labor. Mr. Donlin sounded his warning in presenting his annual report today at the convention of the building trades here. "Prevailing conditions," the report said, "are not conducive to good. This boom will see its end before we are aware. Competition will again assert itself among all the elements of the industry, material manufacturers will slacken production in accord with demand. Mechanics are being taught in great numbers."

## COMPETENCY OF LEAGUE NOW UP TO THE HAGUE

**Permanent Court of  
Justice Asked for  
Ruling**

(By the Associated Press)  
GENEVA, Sept. 27.—The council of the league of nations after a two hour's debate tonight agreed to submit two questions covering the general aspects of the league's competency in international complications to the permanent court of international justice at the Hague. This was brought about by the action of the smaller states who sent a collective note to the council relative to an interpretation of the covenant. The council also provisionally decided that two other questions shall go before a special commission of eminent jurists, rather than to the Hague court, because they are deemed to be a political, rather than a legal nature.

One concerns the right of states to adopt coercive measures, while the other endeavors to secure the fixation of a country's responsibility for crimes committed in its territory.

**Other Questions.**

Members of the council tonight tried to induce Signor Salandra, the Italian member to consent to the Hague court's passing upon whether other matters, such as incidents affecting national honor are also to be excluded, but Signor Salandra was obdurate, he said, he did not want such incidents to go before the permanent court, and was not sure that he wanted them to go anywhere.

The French are seeking to act as conciliators, believing that eventually Italy will agree to a full execution of the league.

M. LaBrun, a member of the French cabinet who helped Lord Robert Cecil draft the proposed pact of mutual assistance said tonight the world should realize that its chief aim was reduction of armaments, which was only possible in most countries when their plans were accepted.

The leadership of the United States in the opium fight was the subject of warm tributes many of the delegates laying stress on the deep importance of the proposed opium conference. The general view was that the world must arrest the poison evil.

## NEW YORK'S PRESS STRIKE IS ENDED

(By the Associated Press)  
NEW YORK, Sept. 27.—New York's press strike which nominally ended today with the appearance for the first time in nine days of morning and evening newspapers are individual entities, will, it was indicated be definitely concluded tomorrow night when the 2,200 strikers cast their expected vote for peace.

Four proposals will be voted upon at the meeting, chief among them being approval of the International Union's contract with the publishers and repudiation of the outlawed local 25, which called the strike.

Reinstatement of strikers will follow endorsement of these provisions President George L. Berry of the International announced. Meanwhile additional men from out of town manned the presses today.

**TROOPS RETURNING**  
Taranto, Sept. 27.—Three transports have reached here loaded with troops and war material from Corfu. They were received with great enthusiasm. The regimental band played the Fascist hymn "Giovinezza." The soldiers were received by the great crowds that gathered at the military port cheering for Mussolini and Italy.

## SUMMARY OF SITUATION IN OKLAHOMA AT LAST REPORT

(By the Associated Press)  
OKLAHOMA CITY, Okla., Sept. 27.—Troops of the Oklahoma National Guard were ordered into Murray county tonight by Governor J. C. Walton, in response to an appeal from citizens of Sulphur who charged local authorities with neglect in apprehending the perpetrators of numerous mob outrages there recently.

"Under the present reign of Ku Klux Klan officers in this county, conditions are deplorable and are becoming worse," the governor was told by the committee from Sulphur, which included Scott Ferris, nephew of former Congressman Scott Ferris of Oklahoma and the mayor of the town. "Persons who are not members of the Ku Klux Klan," they declared, "are totally unsafe in person and in property and unless relief is accorded us and martial law is established in this county there will be trouble and possibly bloodshed."

**Legislators Leave**  
Pledged to return upon the call of Representative W. D. McBea, members of the lower house of the state legislature who were yesterday repulsed in an attempt to meet, began leaving the city today for their homes.

Before leaving house members signed a pledge to reassemble upon McBea's call provided it had been previously determined by court decision that they were

## Many Lives Lost In Burlington Wreck

(By the Associated Press)  
BULLETIN

CASPER, Wyo., Sept. 28.—Thirty-seven bodies are said to have been recovered from day coaches and sleeping cars of the Chicago, Burlington & Quincy passenger train No. 30, which plunged thru a bridge into the Big Muddy river, near Lockett at 10 o'clock Thursday night, according to Dan McLain, of Denver, who says he is the only person who escaped from the Denver sleeper.

McLain said it is his opinion that at least one hundred lives were lost.

## FEDERAL RESERVE BOARD SURVEY IS GIVEN TO PUBLIC

**All Industry Maintained at  
Greatly Increased  
Levels**

(By the Associated Press)  
WASHINGTON, Sept. 27.—Although production in basic industry declined slightly during August and early September, the output still is larger than a year ago, the federal reserve board said in a survey made public tonight. The lowered output has been due partly to an unusual seasonal trend but the figures disclose that in every month this year it has been at a higher level than in any similar month of the previous five years.

Railroad freight shipments were larger in August than in any previous month on record. The board attributed this to seasonal increases in coal, agricultural and miscellaneous merchandise.

Going in hand with the jump in freight movement the board found that general wholesale trade mounted 12 per cent in August and early September over the previous month and pointed out that this increase was much greater than usual at this season of the year.

**Bank Credits**  
After a decline during July and the first part of August the volume of bank credits in use registered a seasonal increase during the last week of August and the first two weeks of September. Total loans and demand deposits of banks in the federal reserve system—reported from the principal cities—increased during recent weeks, voicing the trend of the preceding months. Loans chiefly for commercial and agricultural purposes were highest by \$122,000,000 and set a new record for the year. Investment holdings of these same banks, on the other hand continued to decline, the survey indicated, and on September 1, were lower than at any time since the middle of October, 1922.

## WHEAT GROWERS ASKING REVIVAL GRAIN COMPANY

**President Asked Call  
Special Session for  
That Purpose**

(By the Associated Press)  
WASHINGTON, Sept. 27.—The wheat growing interests of the central northwest, suffering from low prices for the grain, laid their case directly before President Coolidge and other administration officials today with a request that congress be called in special session to enact legislation to revive the United States Grain corporation.

The president, together with Secretaries Wallace and Hoover and Managing Director Meyer of the war finance corporation received the proposal as presented by a delegation of a dozen bankers and farmers from Minneapolis federal reserve district but made no promises. Members of the delegation said, however, that Mr. Coolidge showed a deep interest in their proposal with regard to the grain corporation and also in their request for reduction in freight rates on wheat and flour and they left the white house after an hour's conference pleased with the reception given their views.

## REASON IS GIVEN FOR NOT JOINING ARMS CONVENTION

**Reason for United States Declining to be a  
Party to Proposed Arms Traffic Meeting is  
Made Public—Aim of Meeting Said to be  
Control of Traffic in Arms and Munitions**

(By the Associated Press)  
WASHINGTON, Sept. 27.—The state department made public today the American note to the league of nations in which the United States declined to become a party to the proposed arms traffic convention thru ratification of the convention of Saint German. The purport of the communication was disclosed at the Geneva sessions of the league a few days ago, but attached to the text as made public today was an explanatory statement saying that the note did not indicate that this government was less anxious than other powers suitably to control the traffic and arms.

Dealing with objections to the convention, the note said:

"The distinctive feature of this plan is not a provision for a general limitation of armament, but the creation of a system of control by the signatory powers of the traffic in arms and munitions, these signatory powers being left free not only to meet their own requirements in the territories subject to their jurisdiction but also to provide for supporting each other with arms and munitions to the full extent that they may see fit."

"There is particular objection to the provisions by which the contracting parties would be prohibited from selling arms and munitions to states not parties to the convention. By such provisions this government would be required to prevent shipments of military supplies to such Latin-American countries as have not signed or adhered to the convention, however desirable it might be to permit such shipments merely because they are not signatory powers and might not desire to adhere to the convention."

"It should be observed, also, that the acceptance by the United States of an agreement of the nature and scope of the convention of St. Germain would call for the enactment of legislation to make it operative, and particularly for the imposition of penalties applicable to private arms-producing concerns as a means of establishing control. This government is not in a position to undertake the enactment of such legislation."

**Harding's Stand**  
Attention was called in the statement to President Harding's action in expressing to Secretary Weeks last April the hope "that the policy of the war department would be not only to make no sales of war equipment to any foreign power, but that you will go further and make certain that public sales to our own citizens will be attended by proper guarantees that such supplies are not to be transferred to any foreign power."

"I would readily waive aside any financial advantage that might attend such sales," President Harding's letter continued, "to make sure that none of our surplus equipment is employed in encouraging warfare any place in the world."

The state department announcement pointed out that the executive branch of this government was "not in a position to intervene in transactions which are wholly within the law."

"This stand," the statement continued, "has been taken although this government is not unmindful of the fact that intending purchasers would no doubt resort

AGED VARSAILLES MAN  
PASSES AWAY IN CITY

James McLaughlin, 94, Dies Here at Home of Son—Settled in Brown County in Pioneer Days

James McLaughlin, for eighty-nine years a resident of Versailles, died at 5 o'clock yesterday afternoon at the home of his son, Fred McLaughlin, 350 Pine street, where he had been for the past three weeks. He was

born in Adams county, Ohio, Dec. 9, 1828 and would, if he had lived, have celebrated his ninety-fifth birthday next December. "Uncle Jim," as he was popularly called in his home community, came to Versailles with his parents in 1834, two years before the village was founded. The family settled north of Versailles on what was then virgin land and along a blazed trail. From the days of the ox cart to those of the airplane, Mr. McLaughlin lived among the Versailles people, always a hard working man, following the occupation of farming. Only three weeks ago he closed his little home, where he had lived for sixty-eight years, and came to live with his son here.

Deceased is survived by two sons, Dave McLaughlin of Mound avenue, and Fred McLaughlin of Pine street; and two daughters, Mrs. Lizzie Elliott of Selma, Cal., and Mrs. Lydia Garrett of Red Oak, Kansas. His wife preceded him in death seven years ago, and two sons, Edward and Sanford McLaughlin, also passed on before.

The remains were removed to the Gilliam Funeral Home and prepared for burial. Saturday morning they will be taken to Versailles, where funeral services will be held at 2 o'clock Saturday afternoon.

BERKELEY DISASTER  
GRAPHICALLY PICTURED

Dr. Harker an Eye Witness as  
Flames Swept Away Beautiful  
Residential District in California City

In a letter written to a Jacksonville friend Dr. J. E. Harker gives a very vivid description of the great fire which recently swept over a portion of Berkeley, doing an immense amount of property damage and causing some loss of life. The letter reads as follows:

Berkeley, Calif., Sept. 21, 1923.—California surely is a wonderful country. They have everything here in the superlative degree, the finest climate, the largest most luscious fruits, the greatest oil fields, the most productive mines, the greatest everything. And when all this greatness and excellence falls, as everything does when it comes to common, they every once in a while give you a great "thrill" like the San Francisco earthquake in 1906 and the great Berkeley fire of last Monday.

The "hill district" of Berkeley just north of the university is or was a perfectly lovely residential district, with a thousand beautiful homes, set in a paradise of palms and shrubs and flowers of all kinds. So I thought last Monday morning as I started to San Francisco, I got back at 3:30 to the University avenue station. The whole district was then a raging fiery furnace. I saw at once that our daughter, Elizabeth's home (Mrs. Wallace C. Riddell) was in the very heart of the fire. All car service had been discontinued, of course, in the burning district and so I started to walk up. I had to retrace my steps a dozen times, driven back by the fire in one street after another; but finally I worked my way up and around to the hills above the fire, and for two hours watched the flames work their fury.

It was a most awful and terrible sight. The fire had started somewhere in one of the canons east of the city. It spread so rapidly, driven by a 60 mile gale that no human aid was possible. Everything was tinder, the dry grass, the shingle roofed and all shingle houses, the palm trees, especially the tall pines and the tall eucalyptus trees, for they have had no rain here for several months. The fire started at 2:20 p. m. By five o'clock it had swept the entire hill side. If the wind had not suddenly died down at 5:30, nothing could have stopped the flames but the bay.

Because of the hill in the wind and the dynamiting of several houses, the fire was stopped at

the edge of the University campus, and the business district. Practically everybody lost everything—about 600 homes—over \$300,000,000 of property, property loss about nine million dollars. We are thankful there was no loss of life, and comparatively few even injured.

Oakland and San Francisco had fire engines on the ground with in an hour and hundreds of fire fighters fought bravely, but the heat was so intense that even the piles of furniture in the streets, which many were working to save, caught fire. The wind was hurling burning brands, shingles, branches of trees for hundreds of yards and new fires were starting in all directions. Many autos filled with valuables saved from the houses, had to be abandoned to the flames when the wires began to fall.

Our daughter Bessie's home was in the path of the flames. When it was sensed that the whole district was doomed, Mrs. Harker and Bessie were told they had two minutes to get ready. They could save nothing. Mrs. Harker and I lost everything except the clothes we were wearing, our trunks, clothes, papers, railroad tickets (we will have to stay in California now) everything. So did everybody else. But we are thankful beyond words that we are all safe and happy that we are here to help and cheer others. That is always a privilege and a joy.

The spirit here is wonderful—everybody optimistic and everybody helpful. All organizations, the Red Cross, the churches, civic organizations, Rotary and other clubs—all are helping relieve the distress. Every school house, many of the churches, the city hall are receiving and distributing centers. All who can are contributing clothing, furniture, money, etc. Some firms have announced that they are cancelling all unpaid accounts of those who lost their homes.

A city ordinance has been passed against all profiteering in prices. Real estate dealers have agreed not to sell or rent any place at a higher rate than was asked before the fire, and to advertise the names of any who ask higher prices. Lumber and all building dealers are offering at former and even reduced prices, and giving special credit. Insurance companies are all here making quick settlements. Rebuilding has already begun. To witness such a fine and helpful spirit helps one to believe in God and in our fellow men.

Mrs. Harker and I and the Riddell family have comfortable shelter with our son Ralph and his family, who live in the Thousand Oaks district about a mile north of the burned district. We have spent the week, as thousands of others are doing, trying to find some place to rent, so far without success. But everything is rapidly returning to a more normal condition, and we have no doubt we will be all right in a little while.

We are glad to receive the Journal regularly and to keep in touch with dear old Jacksonville and the woman's college. We greatly appreciate the telegrams of greetings from the faculty and the students. It is a joy to see that the chautauqua was again a great success, and also the fair. I hope that before very long the chautauqua can have a permanent auditorium. Especially I hope that the City of Jacksonville will get busy and make possible the improvements necessary to make sure its permanent and adequate water supply. That ought by all means to be done this very fall. We send greetings to everybody. And we are in for every thing that will make for a better and greater Jacksonville.

Sincerely,

Joseph R. Harker.

LEE LONG ATTACKED  
BY UNKNOWN PERSON

Struck on Head Last Night on West Court Street—Says He Knows Who Did It

Lee Long, known among his friends here as "Tennessee" was injured about 11 o'clock last night when he was knocked down by a mysterious person on West Court street near the Douglas cafe. Long was taken to Passavant hospital, where Dr. H. C. Wolman examined and dressed his injuries. It was apparent that he had been hit on the side of the head by some heavy object other than a man's fist, though no bones were broken and the injuries are not considered serious.

The person who struck Long is still at large and unknown to police. An investigation revealed no trace of the assailant, and no one in the vicinity at the time appeared to have witnessed the attack. Long told police last night that he could identify the man, though he did not know his name. The motive of the attack is unknown. No attempt was made to rob Long.

CAR SKIDS IN CREEK;  
FOUR ESCAPE DEATH

Beardstown People Suffer When  
Auto Turns Over in Big Indian  
Creek—Father Rescues Two

James Ryan, his daughter and two sons, all of Beardstown, barely escaped drowning about 10:30 o'clock Wednesday night when their auto plunged into Big Indian creek about three miles southeast of Litchberry. The Ryan family were returning from Jacksonville to Beardstown. It was quite dark and raining steadily when they reached a treacherous part of the road where it runs alongside of the creek. Mr. Ryan was unfamiliar with the road and was unable to keep the car from skidding. When the auto made the plunge into the water, it turned on its side, and the sedan body filled with water. The occupants managed to break open a door, and the father rescued the daughter and one son from the car and landed them safely on the bank. The other boy had crawled to the top of the capsize car and was pulled to safety with a rope brought from the farm of Joseph Lindsay half a mile away. The unfortunate people were taken into the Lindsay home, where they were given dry clothing and kept over night. Yesterday morning Mr. Lindsay took them to Beardstown in his car.

The young lady in the party was slightly injured, being cut in the side by glass from the broken sedan door. Before she could be rescued she had swallowed considerable water, which made her ill. Mr. Ryan is a good swimmer, and his work in rescuing the two children from the inside of the car deserves commendation. Late last night, residents of the Litchberry neighborhood succeeded in getting the stranded machine out of the creek, after it had been badly damaged by the water.

LIGHTNING STRIKES  
BARN AT WINCHESTER

Slight Damage Done by Lightning Bolt During Storm Wednesday Morning—Other Winchester News

Winchester, Sept. 27.—The barn at the home of Edward O'Donnell was struck by lightning during the storm which visited this vicinity early Wednesday morning. The lightning followed the track of the hay conveyor, down a tin gutter and into the ground. But slight damage was done, the roof being torn in one place, and the loss was covered by insurance.

One of the cornices at the rear of the Christian church was also struck by lightning during the storm. Not much damage resulted in this case and it was fully covered by insurance. The first rain storm came at about 4 o'clock and was followed by another severe storm at 7 o'clock. Mr. and Mrs. Fred Neat have returned home from Indianapolis. They were accompanied by Miss Jessie Rook, who is to make a visit at their home.

Miss Ella Boylan returned Wednesday to her home in Jacksonville.

F. Bonansinga of Jacksonville was a business visitor here Thursday. John Kennedy of Indianapolis is here for a visit with his mother at her home on West Cherry street.

Mrs. L. A. Cooper of Champaign is visiting her daughter, Mrs. E. L. Dillon and family.

 son persisted in withholding testimony. The board except in one case had decided for the employees who had asked for reinstatement and compensation for the discharged men, on an ex-parte submission, but the carrier had not complied with the decision.

Mr. Ferguson admitted he had been influenced by the testimony of the man attacked by Mr. Bannon as an incompetent witness, but denied the brotherhood's charge that he had violated a contract requiring that employees be given a fair trial.

The Check-off System  
 The hearing followed the close of a hearing of the federated shop craft versus the Chicago & Alton during which J. F. McGrath of Bloomington, a shop crafts' representative charged that while the defendant carrier was employing a check-off on behalf of road associations it had established, its representative had denied the request of a national labor union for the establishment of a check-off on the grounds that it would be illegal.

W. G. Bierd, a receiver for the Chicago & Alton, said that the arrangement instituted when the road associations were new and that the men had some back to the road without ready money was not a check-off in purpose and not comparable to the check-off in use in the mining industry. Asked why it was not discontinued he said the employees had not sought its discontinuance in the proper way.

(Continued from Page Four)  
 The league, he insisted, was highly instrumental in effecting a settlement. G. news, thru the league, he said had become a clearing house for European troubles.

McKinley's View.  
 Senator McKinley who was chief man of the delegation emphasized the value of his administrative work of the League, but said it would be confined to Europe and restricted to the ironing out of difficulties in such matters as the public health and morals and in formulating arrangements under which the boundaries of the small nations would not be obstacles to commerce and travel.

"The league as now constituted," Senator McKinley said, "seems to have repealed Article X of the covenant or at least it has ignored it, and of course it has greatly weakened its position."

McKellar's Statement.  
 In view of "the refusal of France and Italy to submit the question of the occupation of foreign territory to either the league or the world court," Senator McKellar said, "we should be very careful upon what terms we go into the court. We should not enter it unless all members guarantee they will submit all their international controversies to it, and abide by its decision."

**ILLINOIS RESTORES OLD LINCOLN COURT**

Building Erected in the Early 40's at Metamora and Was Re-modeled in 1870.

Springfield, Ill. (AP)—Restoration of the old courthouse at Metamora, Woodford county, last remaining building in which Abraham Lincoln pleaded cases in the old circuit days, with Adlai Stevenson and Robert Ingersoll, has just been completed.

E. S. Martin, supervising architect of Illinois, who has been studying historical spots and buildings for years, had general charge of repairing and restoring the structure, which had been changed so much that Lincoln, were he to have seen it, would not have recognized it.

The original lines of the courthouse, according to Mr. Martin, were very good. It was built on the classic models so often found in New England and Virginia—portico of four doric columns surmounted by a tower and belfry.

But the building which was erected in the forties was remodeled in 1870. Two wings were added and the portico removed. The old stairway in the rear of the building had been taken out and an outside stairway constructed where the portico had been.

There was a photograph of the court house as it originally appeared, but even the memory of the old settlers failed to tell L. L. Tobias, state superintendent of construction, what the first floor plan was. He set out to discover the location himself.

By carefully examining the walls he found a place where a partition had once been. He tore up a portion of the floor, and found the hole boarded up when the stairs had been removed. What kind of a stairway it was nobody knew. Finally in the basement of a private house, covered with the dust of decades, he found portions of the old banister. From the fragmentary evidence he reconstructed the stairway as it looked when the legal giants of another age ascended it to the circuit courtroom.

Both have gone to work, Mrs. Wiegand's first adventure in that line being in journalism and her first story a record of her trip on foot and in automobile and side-door Pullman to New Orleans and as extra hand aboard a freighter from New Orleans to Vera Cruz. Her home is in Brooklyn, N. Y.

**SOLDIER BONUS CHECKS**  
 Springfield, Ill. (By the A. P.)—Illinois soldiers' bonus checks are being written out at the rate of 1,000 a day, according to the state auditor's office. About 80,000 applications have been turned over to this office thus far, by the bonus board. Over 255,000 applications have been received by the latter office and are coming in at the rate of 200 a day, according to Adjutant General Black.

Applications for bonus have been made out and the checks written in order to afford quick disposition of the checks when the next block of bonds is sold. All bids for the bond issue have been rejected because of low interest rate.

To Acquaint Country With its Sea Defense—Navy Department to Co-operate.

WASHINGTON — (By the A. P.)—With the approval of the Navy Department, the Navy League of the United States is planning another "Navy Day," when it hopes to center the country's attention on its defenses by sea. The celebration will take place October 27.

This letter from Acting Secretary Roosevelt to Robert W. Kelley, president of the League, promising the co-operation of the Navy Department in making the day a success, was made public today at the League's headquarters:

"My Dear Mr. Kelley:  
 I am delighted to learn that you are planning to hold Navy Day again this year. What you did last year was a real patriotic service."

"It is the right of our people to be fully informed on the vital problem of national defense. The Navy is our bulwark. Behind its protection our people are able to carry on their lives, develop their ideals, and live in the righteous peace we so earnestly desire."

"It is the right arm of our State Department, and translates our national pronouncements from empty words into statements that must be given the most serious consideration by all. Whereas we are all working for every legitimate economy in government, we should never let a penny-wise, pound-foolish, policy govern our naval establishment."

"The Department will gladly co-operate with you and help in any way to make the people realize their vital interest in the Navy."

"Every man and woman of the United States, especially those with children, should make it their business to see that our Treaty Navy is adequately and properly maintained."

"Very truly yours,  
 Theodore Roosevelt."

**Purpose of Day.**  
 In a letter to Mr. Roosevelt Mr. Kelley declared the purpose of the celebration was to clear up "much confusion of thought" about the navy.

"Our Army and Navy have been denounced as symbols of war, their officers and men its advocates," wrote Mr. Kelley. "This is not true. All classes are united in a desire for peace. None desire it more than army and navy men, our own brothers and sons, who realize more keenly than others the horrors of war and seek only the strength that will maintain peace—the peace of honor and justice, which is the only peace America should ever tolerate."

"We believe that the way to maintain that peace is to have sufficient strength to insure respect for our service in the councils of nations. We believe in limitation of armaments by international agreement, but not in limitation of armaments by solitary example. Knowing that arms have made and kept us a nation, we are unwilling to trust our liberties to others who remain armed and may seek their own selfish ends."

"The Navy League appeals to no party and to no special interests. It speaks only in the interests of America, a nation whose ultimate existence, as well as the peaceful existence of every citizen, is dependent on the protection of armed force. No generation of Americans since the first colonists touched our shores has escaped war and there is no evidence as yet that human nature has changed to the extent that wars can be no more. In fact the present state of the world would lead to quite the opposite conclusion."

**FLAG OF INDIA LEADS TO JAIL**

NAGPUR, India, (AP)—Because of their persistence in displaying the national flag of India, the local jail now shelters 540 Indians and the number is growing. The flag is purposely carried in parades, with the knowledge that the marchers will be apprehended.

Arrests take place daily, and it is felt here that the issue may become national. "Gandhi Day" has been designated as "Flag Day," for processions and display of the tricolor emblem.

**ONE HOUR PARKING RULES ARE ADOPTED**

DECATUR, Ill. (By the A. P.)—The adoption of one hour parking regulation in business districts of 11 Illinois cities was advocated at a meeting of the Central Illinois Traffic association here. Mayor Woodruff of Peoria, stressed the need for this ordinance as applied to the entire business district and said that many merchants had asked that the one hour arrangement be extended to their stores also.

The cities represented at the meeting were: Jacksonville, LaSalle, Lincoln, Bloomington, Decatur, Clinton, Danville, Springfield, Rock Island, Elgin, Peoria.

**SILAGE LOSSES**

Urbana, Ill. (By the A. P.)—Now is a more opportune time to think about silage losses than next winter when the moldy silage is found, as most of the trouble dates back to silo filling time, according to C. S. Rhode, of the department of agriculture of the University of Illinois.

A total absence of oxygen or air is necessary if good silage is made and the walls of the silo must be tight; the corn should contain sufficient moisture and should be finely cut and well packed, Mr. Rhode said.

**This Is Essentially a Jewelry Store**

It can truthfully be said that jewelry is "the most desirable thing in the world." When you have a gift to buy for one whom you hold in high esteem your first thought naturally is "jewelry."

In view of this fact how thoroughly must a jewelry merchant be engrossed in his business to assemble stocks of such intrinsic worth as to always meet the rigid requirements of a particular clientele.

Through the years we have always met this demand. This is essentially a jewelry store. We do not carry a hodgepodge of articles, but concentrate our efforts to supplying our trade with the best that can be obtained in jewelry only.

Hence, when you have a purchase to make in the jewelry line you may be assured of choosing from the cream of the market in making your selection from this store.

## BIRTHDAY DINNER WAS GIVEN NEAR FRANKLIN

Mrs. J. Link Hills of Franklin was given a very pleasant surprise recently, the affair being in honor of the anniversary of her birth. A large number of her neighbors and friends gathered at her home with well filled baskets and took charge of affairs.

Mrs. Hills was at first somewhat at a loss to understand the turn of events but nevertheless made her guests welcome and proceeded to enjoy the occasion as much as anyone present.

As the occasion was also the birthday of Mrs. J. H. Crim, she and Mrs. Hills had planned to spend the day together, and each had baked the other a birthday cake with the proper number of candles. When all had assembled in the dining room Mrs. Hills and Mrs. Crim blew out the candles on the cakes and the dinner proceeded.

The day passed all too speedily for those present and at a late hour all departed, wishing Mrs. Hills and Mrs. Crim many returns of the day.

Those present were Mr. and Mrs. W. Edgar Watson and two daughters, Miss Nettie Hills, Miss Lillie Hills, Mr. and Mrs. J. H. Crim and daughter, Mr. and Mrs. J. H. Gilt, Mr. and Mrs. Homer G. Bradney, son and daughter, all of Jacksonville; Mr. and Mrs. Otis Van Winkle and four children; Mr. and Mrs. Thomas Elmd, Mr. and Mrs. Martin Van Winkle and daughter, Miss Maude; Mr. and Mrs. J. W. Burnett, Mr. and Mrs. Herbert Watson and sons, Henry Leadill, James Leadill, Mr. and Mrs. Albert Hamilton, William Anderson and mother, J. M. ## CHURCH SOCIALS

### Grace Church.

About two hundred and fifty students from the schools and colleges and young people from the city in general gathered at Grace church last night for a social time. The extensive basement was decorated in the colors of each college and school in the city, and every institution was well represented. The number of local young people in attendance was unusually large.

A number of novel and interesting games and contests were enjoyed, and the evening passed pleasantly for all present. Committees in charge of the affair follow:

Refreshments—Mabel Jordan, Ina Belle Swain, Leta Groves, Ruth Jordan and Anna Mann.  
Entertainment—J. Lloyd Read, Wilma Williamson, Beatrice Hasenstab, J. Edwin Dinwiddie, Roy Tomlinson, Elizabeth Moore, Margaret Fay Hopper, Hugh Osborne, Helen Hansen, Edna Bracewell and Ordain Fox.  
Decorations—Samuel Osborne, Dorothy Jackson, Charles Williamson and Ralph Floreth.

### At State Street Church.

More than sixty young people attended the social given by State Street Presbyterian church in the church parlors last night. A program of games and contests of various kinds had been arranged for the evening. Miss Mary Floreth being chairman of the entertainment committee and Miss Vivian Pires in charge of the games. During the evening appropriate refreshments were served. Miss Harriet Hall being the chairman of the committee which had this feature in charge.

### Baptist Church.

About one hundred and members of the B. Y. P. U. were present last night at the annual study social. Leon Stewart explained at the beginning that the social had three objects: To get better acquainted, to enjoy one's self, and to help others enjoy themselves. Games and contests with prizes and refreshments occupied the time. The committee in charge consisted of: Miss Elinor Ludwig, chairman, Leon Stewart, Clarence Wilson, and Miss Jessie Bryant.

### Central Christian.

About one hundred and fifty students and young people of Central Christian church enjoyed an indoor chautauqua in the church parlors last evening. Charles Ray Grunmy was platform manager, and the concern was called the Red Cowpath chautauqua. The Elite Six orchestra opened the program with music and Mme. Elina Colard sang a solo. A brief and snappy farce comedy was presented by the "Home Town Dramatic Club."

Harry Howard performed the services of a magician. Rev. M. L. Pontius delivered a brief lecture; a reading was given by Mrs. Ben Roodhouse, and Mr. Roodhouse, the Sunday school superintendent, also made a few remarks.

Refreshments and a general good time followed the program. Entertainment consisted of hot dogs, Java and chop suey, a combination that kept many an inexperienced freshman tossing on his downy bed until the wee morning hours.

### Trinity Church.

At least one hundred students from the various colleges came together in the Guild House last evening to enjoy a social time. Dancing and excellent refreshments were the principal features of entertainment. In the receiving line were Rev. and Mrs. J. F. Langton, Mr. and Mrs. H. M. Andre, Mr. and Mrs. J. G. Ames, Mrs. Lloyd Brown, William C. Robinson and Mrs. George Mathews. Members of the vestry and members of the faculties of the colleges were in the receiving line and on the guest list.

At Westminster church a unique program of entertainment had been prepared. The young people as they came registered at a hotel in which several conventions were in progress. Among the different conventions were the Krazy Kat Convention, the Tape Measure convention, the Collar Bone convention, the Teach 'Em Right convention. The events at these different gatherings were not of a serious kind and resulted in a great deal of merriment.

W. L. Kaiser acted as hotel clerk and Ray Barnes and Warren Kamm were the bell boys, who ushered the "delegates" into the various convention halls. Later Benjamin Chapin as Abraham Lincoln was shown in the film, "A Son of Democracy," and this was followed by a comedy, "The Orderly." Early in the program words of welcome were given by William J. Brady and brief talks were made by Dr. Thomas Smith and Dr. C. H. Rammelkamp. Then came a social hour with refreshments. The committee on arrangements included Misses Alice Barwise, Birdie Arbutnot, Nellie Steady, Messrs. James Smith and Edward Miller.

### Congregational

At the Congregational church the young people joined in the Virginia Reel and then played various games of both an unusual and interesting kind. Afterward community singing under the direction of Mr. Hedge had a large place in the program. Miss Lavinia Scott, president of the young people's society extended words of welcome and Rev. C. E. Stuckey told something of the lines of work that the church is attempting.

The rooms were decorated with garden flowers and all the arrangements were of a kind to make the event enjoyable. Sub-

stantial refreshments were served.

The committee on arrangements included Misses Elizabeth Scott, Mary Janet Capps, Edith Putnam and Messrs. Henry Alexander and Alva Beecher.

## WILL AID PLANS FOR NEW INDUSTRIES

Chamber of Commerce Directors Ready to Meet Terms Offered By Other Cities — Board Met Thursday Night.

Chamber of Commerce directors met Thursday night with President R. Y. Rowe presiding. There was a nearly 100 per cent attendance of directors and various matters of business were presented by Secretary Welch and given consideration.

The industrial committee, of which T. A. Chapin is chairman, has during recent months had various factory and new business proposals under consideration. It is a fact that many cities offer new enterprises more assistance than has been given in Jacksonville up to this time. Building sites, exemption from taxes, free water and some other attractions are sometimes offered.

It was the sense of the directors that when the opportunity comes for Jacksonville to secure a worth while factory or other enterprise giving employment to labor that reasonable conditions can be met which will place Jacksonville on a fair competitive basis with other cities.

The directors approved the action of the secretary in promising to aid Presbyterian churches of the city and Illinois college in the proposal to secure the next convention of the Presbyterian Synodical association for the city next June. Ministers from the churches interviewed Col. Smith of the School for the Deaf and to secure his promise to have the dormitories of the School for the Deaf available for the use of delegates.

Explanation was made with reference to the district meeting of the Chamber of Commerce to be held here next Wednesday, and details were given of the program to be carried out at that time.

Report by Secretary Welch showed a number of new members of the chamber and that effective and active work is being done along various lines.

## WANTED—A MAN WITH IDEALS FOR GOVERNOR

CHICAGO, Sept. 27.—Illinois needs an efficient man with ideals and standards of public service, who is at the same time a politician in the best sense of the term. Walter F. Dodd, former secretary of the Illinois Legislative Reference Bureau at Springfield, told members of the City Club today. "There is needed a man who will know when he must follow in order to lead," he declared, "a man who will know how to harmonize diverse evils, for the last resort government is politics and politics means compromise and harmonizing of conflicting views. "Factional party leaders who have a direct personal interest in the result cannot alone be trusted to choose such a person as the people of Illinois should and will, under proper leadership, elect to the office of governor."

## MATRIMONY

The marriage of J. F. Munis and Mrs. Millie Jacinto, both of this city, took place at 2:30 o'clock Thursday afternoon. The ceremony was performed by Rev. W. E. Spoons at his home on South Diamond street. The bride and groom were unattended.

Mr. Munis is an employee at the School for the Deaf and he and his bride are to make this city their home. Both are well and favorably known here.

Wallace-Phillips. James Wallace of Grantsburg, Ill., and Mrs. Elizabeth Phillips of Griggsville were united in marriage Thursday morning at 10 o'clock at the court house. J. A. Crum officiating. The ceremony was witnessed by J. J. Rodarmel and Henry Strawn. The bride is a farmer in Pike county and the newly wedded couple will make their home in that county.

## ASTORIA MAN IS FINED IN COUNTY

Fred Tidrich of Astoria, who with a number of friends, was arrested by sheriff's forces at Nichols park several days ago, pleaded guilty in county court yesterday to a charge of transporting liquor and was fined \$100 and costs. Others in company with Tidrich were fined on charges of drunkenness and disorderly conduct.

Deputy sheriffs came upon the party at Nichols park last Saturday evening. It is understood that Tidrich threw away a bottle containing liquor which was later recovered by the officers. The men escaped and headed north in an auto. After a thirty-five mile chase the deputies brought back their prisoners and lodged them in the county jail.

## HOLSINGER INDICTED.

Cedar Rapids, Iowa, Sept. 27.—Earl W. Holsinger, former deputy county treasurer was indicted by the grand jury tonight on four charges of embezzlement. Warrants were placed in the hands of Sheriff Tom Avery for his immediate arrest. Holsinger embezzled \$5,400 county tax money, according to a report made by state examiners. Holsinger had been prominent in Republican politics for years.

## F. E. FARRELL HONORED BY KIWANIANS

Jacksonville Man Elected a Lieutenant Governor in The Illinois and Iowa District — Large Attendance at Dubuque Convention.

One thousand delegates attended the Kiwanis convention of the Illinois-Iowa district, held in Dubuque this week. Felix E. Farrell, past president of the Jacksonville club, was honored by being chosen a lieutenant governor of the district. Daniel Wentworth of Chicago attorney, having been chosen governor.

In the district, which includes all of Illinois and eastern Iowa, there are six lieutenant governors and they have much to do with shaping the work of the organization in the district. Mr. Farrell has been active in the Jacksonville Kiwanis club since its organization and under his leadership as president the club carried on a forward program of work. He is genuinely interested in the Kiwanian organization and will without doubt be very helpful in leadership during his term of office.

Others who attended the convention were Dr. and Mrs. Garm Norbury, Mr. and Mrs. G. B. Andre, B. F. Shafer, Carl E. Robinson, C. E. Williamson, M. A. Huett, Robert Mullenix and Thomas Coyle.

Mr. Robinson was in attendance at a trustees meeting and delivered one of the addresses. He also served as a member of the nominating committee.

### GRACE CHURCH PASTOR ARRIVES IN CITY

### HIGH SCHOOL PUPILS CHOOSE THEIR OFFICERS

The Various Classes Met Yesterday to Organize for the Year

The High school annual elections were held yesterday after school; the students were all very enthusiastic and showed good judgment in their selection of officers. The following were elected:

Seniors—President, Harold Hopper; vice president, Margaret Curtis; secretary, Sheldon Nicol; treasurer, Theodore Wetzel.

Juniors—President, Kenneth Thompson; vice president, Florence Cranwill; secretary, Virginia Smith; treasurer, Edwin Saye.

Sophomores—President, David Lander; vice president, Laura Young; secretary, Marguerite Forrest; treasurer, Harry Capps.

Freshmen—President, Emmet Barton; vice president, William Walton; secretary, Elizabeth James; treasurer, Olive Bray.

Senior member of council, Margaret Piepenbring.

Organization for the publication of this year's Crimson J was effected. Georgia Terhune was chosen editor-in-chief and Tad Yeck business manager.

### COOVER'S PREPARED TO WEIGH BABIES

It is now possible for proud mothers to keep a careful and accurate record of their babies' weight. All they have to do is to visit the store of the Coover Drug Company on the east side of the square and place baby in the nice wicker basket on the new scales, recently installed there. The scales are especially designed for weighing babies up to 25 pounds, and the service is to be absolutely free to mothers who wish to watch the growth of the little ones. A careful record of each weight will be kept, so that it will be possible to compare results and see how fast the baby is growing.

### CARD PARTY GIVEN AT WOODSON HOME

Miss Marjorie Steinmetz gave a card party Wednesday evening at the home of her parents, Mr. and Mrs. J. Steinmetz, near Woodson. The affair was in honor of Mr. and Mrs. Frank Doyle, who will soon leave for Tucson, Arizona, to make their future home. Among the guests present in addition to Mr. and Mrs. Doyle were Mr. and Mrs. Wendell Dugger, Scottville, Miss Margaret Stranberg, Martin Loneragan and Merle Reynolds.

Prof. P. G. Holden Tells Kiwanians that Great People Make a Nation—Would Interest Children in City Plan

"If the fathers and mothers of Jacksonville will take care of the boys and girls today, the boys and girls will take care of Jacksonville tomorrow." These words express the essence of Prof. P. G. Holden's address yesterday before members and guests of the local Kiwanis club. Prof. Holden is field director in the department of agriculture extension of the International Harvester Co. His address was filled with inspiration for community building. He said in part:

"My greatest fear is that you people of Jacksonville, when I have gone, will not do the things I have told you. I have heard much of your city; your beautiful trees are distinctive. You have here an atmosphere of helpfulness, created by the colleges, which any town should envy. I can tell by looking at the fences on the farms, the streets and residences of the town, what people I am going to find in a community. Your surroundings look like you and are expressive of your character."

"Two things make a great nation: great people and rich land. People laughed when Brazil declared war on Germany. The land of Brazil is rich, but the people are not great. However, when the United States declared war, everybody took notice. Destroy your city and save your young men and women and in 20 years another city will spring up, but destroy your youth and in 20 years, your buildings will fall into decay. So, in the final analysis, great people make a great nation or city."

"If I were here a week, I would have every one of you men working with the kids. In Chicago, bank presidents and big business men, whom you could not see in their offices more than one time in a year, find time to help boys. We have six hundred of them who are being aided in various ways and given a start in life. Every city should have a plan, though most of them just happen. Cities have been led to adopt five and ten year plans and have accomplished wonders in improvements by bringing the people into touch with the plan and getting the children interested. What a man does for himself dies with him but what he does for his community is remembered long after he is gone."

In closing his address, Prof. Holden read the contents of a little card which adequately describes a knocker and a booster, and put it up to the members of his audience to take their choice. The description reads as follows:

When the Creator had made all the good things, it seemed there was still some dirty work to do, so He made the beasts, and the reptiles and the poisonous insects; and when He had finished He still had some old scraps left over that were too bad to put into the Rattlesnake, the Hyena, the Scorpion, and the Skunk; so He put all these together, covered it with suspicion, wrapped it with jealousy, marked it with a yellow streak, and called it a Knocker.

This product was so fearful to contemplate that He had to make something to counteract it, so He took a sunbeam, put into it the heart of a child, the brain of a man, wrapped it in civic pride, covered it with brotherly love, made it a believer in equality and justice, a worker for and supporter of every good thing in the community and called it a Booster; and thenceforth mortal man has had the privilege of choosing his associates.

### JUDGE THOMSON TO ADDRESS ODD FELLOWS

Judge William E. Thomson left last evening for Christopher in Franklin county where he will deliver an address on Odd Fellowship at a district meeting to be held September 28th.

From Christopher he will go to New Athens in St. Clair county and deliver the principal address of the afternoon on September 29th at a Tri-County meeting of Odd Fellows.

### CONGREGATIONAL WOMEN

Because of the rainy weather the meeting place of the Congregational Ladies Aid society was changed, yesterday, from the home of Mrs. T. P. Carter to the Pilgrim Hall of the church. The change, however, did not make the meeting less enjoyable and a very pleasant day was spent. Dinner was served at noon, in the Primary room, which was decorated for the occasion and where the tables were very effectively lighted with candles. Chocolate was poured by Mrs. G. E. Stickney and Mrs. C. H. Smith.

After dinner the ladies were very busy sewing for the Thanksgiving sale and for the Chinese Christmas box.

The hostesses at this meeting were Mrs. T. P. Carter, Mrs. W. Carter and Mrs. W. L. Carter.

### SUNDAY SCHOOL WORKERS TO MEET AT DUREIN

### MISS HAYDEN BECAME CHICAGO MAN'S BRIDE

Pretty Home Ceremony Unites Miss Katherine Hayden and Esque A. Iles in Marriage—Will Reside in Chicago

The marriage of Miss Katherine Louise Hayden of this city and Esque A. Iles of Chicago was solemnized at 8 o'clock Thursday evening at the home of the bride's parents, Mr. and Mrs. Eugene D. Hayden, 841 South Fayette street. The wedding ceremony was performed by Rev. Henry Snowden, pastor of Mt. Emory Baptist church, and was witnessed by a limited number of relatives and friends of the contracting parties.

Preceding the ceremony Miss Gladys Hayden, sister of the bride, sang "I Love You Truly" and she also played the wedding march as the bridal party entered. The bridesmaid was Miss Slater Oliver of this city. The house was prettily decorated for this wedding event, pink and white being the predominating colors and autumn flowers being used in profusion.

The bride is a daughter of Mr. and Mrs. E. D. Hayden and is a graduate of the local high school. She is a musician of special ability and has but recently completed the musical course at the Simmons university at Louisville, Ky. She has for some years been active in the work of Mt. Emory Baptist church and Sunday school and in every way an admirable young woman.

Mr. Iles was a resident of this city for several years and made many friends while here. He is a graduate of the New York Photographic school and engages in photographic work in Chicago in addition to holding a position with the Pullman Co.

Mr. and Mrs. Iles are to make their home in Chicago and will be at home to their friends after October 15 at 2933 Prairie avenue. Their many friends unite in wishing them a happy wedded life.

### PILGRIM LEGION WILL BANQUET AT CHURCH

Members of Order of Pilgrim Legion of the Congregational Church to Have Banquet Saturday Night—Walter Spooner to Speak

Members of the Order of the Pilgrim Legion are to be guests at a banquet at Pilgrim Memorial at 6 o'clock Saturday night. The banquet will be a six course affair and is being arranged on an elaborate scale.

Following the banquet will come a program of toasts and music. The main speaker of the evening will be Walter Spooner, associate superintendent of the Congregational conference. Mr. Spooner has the reputation of being a very entertaining speaker and is especially popular with audiences of young people.

Later in the evening there will be games and various amusements for the young people and a good time is promised for all. The arrangements for the evening are in charge of Miss Emma Daniels.

There are about twenty members in the Pilgrim Legion and they alone are entitled to attend the banquet. The Legion is made up of members of the Congregational Sunday school and have made a record of 90 per cent for one year, the young people being graded on Sunday school and church attendance and work in the class and at home.

Each member of the Legion is presented a silver maltese cross pin bearing the initials "O. P. L." If he retains his membership for a five year period he receives a gold maltese cross pin. Miss Virginia Terhune recently scored 99 per cent as a Legion member, her score being the highest of any. ssa f ouso.

### SINCLAIR CLUB MET YESTERDAY

The Sinclair Country club held its regular meeting yesterday afternoon and appointed a number of committees. The domestic committee consists of Mrs. John Ward, Mrs. McClure, Mrs. Everett Long, Mrs. Harry Martin and Miss Anna May Wilson. On the program committee are Mrs. Fred Green, Mrs. Walter Wheeler, Mrs. Charles Bealmer and Mrs. Roy Martin.

The meeting was held at the home of Mrs. Clyde Martin. The hostess served refreshments. The paper was given by Mrs. Walter Wheeler. The delegate to the district convention at Roodhouse is Mrs. Vol Sevier, with Mrs. Ed Hairgrove and Mrs. Etta Mathews as alternates.

### DIVORCE SUIT FILED.

A suit for divorce was filed on Thursday in the office of Circuit Clerk Wannamaker by George W. Myers, who is seeking divorce from his wife, Joy L. Myers. They were married March 10, 1906, and lived together until August 15 of the present year. The charge of infidelity is made.

### A HANDSOME SOUVENIR

W. N. Hairgrove has presented W. L. Fay a pair of moose hide Indian moccasins as a relic of his Alaskan trip. They are decorated with the Indian idea of the American eagle and make a handsome souvenir.

### RETURN TO ARIZONA.

Mr. and Mrs. Luther Lashmet, who have been spending several days with relatives in this city, have left for their home at Prescott, Arizona.

### REBEKAH LODGE NO. 13

Regular meeting tonight followed by program, social and refreshments. A big attendance is desired.

### FUNDS STILL AWAIT SPANISH WAR VETS

Certain Government Allotment Made for Guardsmen Who Went into War with Spain Remains Undistributed

Under an act of Congress, March 3, 1899, there was appropriated the sum of \$124,076.49 from which to pay soldiers who were serving in the Illinois National Guard at the time of declaration of war with Spain and who subsequently were inducted from state service into the federal service, this money being an allotment for additional pay from the time the National Guard troops entered mobilization camps with in the state until they were inducted into the United States army and began drawing their regular United States army pay. This act was approved July 8, 1899.

The above named sum was received by the Governor of Illinois in August, 1908 for disbursement, together with the lists of names of those who were beneficiaries under the above act. These lists were prepared in the War Department from rosters sent to the War Department by the commanding officers of the various organizations, which list is now on file in the office of the Adjutant General, Carlos E. Black, Springfield.

Upon an investigation recently inaugurated by Col. O. C. Smith, of Jacksonville, in his capacity as department commander of the United Spanish War Veterans, it was ascertained that on July 31, 1923 there still remained 3,517 names of previous soldiers of that period who had not yet received the amounts due them, this number including those not located, and those deceased. Of the original amount appropriated, there still remains \$41,865.10 available from which those who have not yet received the amounts due them may be paid. During the present state administration, up to July 31st of the current year 196 checks were issued amounting to \$1,887.98.

As indicated above, this money now awaits any ex-soldier who was serving in the Illinois National Guard at the time of the induction of his unit into the United States service and his proportion will be paid to him promptly upon application to the office of the Adjutant General of the State of Illinois, when properly identified. In case of death of any such ex-serviceman, who died before receiving his allotment as mentioned above, his widow or other heirs may secure this extra pay in the following manner: By application to the county court of the county in which the widow or other heirs reside, an administrator will be appointed and this administrator may then file with the Adjutant General of the State of Illinois a certified copy of his appointment as such administrator, together with the proof of the service of the deceased. On receipt of the necessary documents, a check will be drawn by the Adjutant General, payable to the administrator, for the benefit of the heirs of the deceased soldier.

### EBENEZER SOCIETY ELECTS OFFICERS

The Ebenezer Woman's Foreign Missionary society met yesterday afternoon at the home of Mrs. Ed Patterson northwest of the city. The meeting was called to order by the president, Mrs. Emma Cully. Devotions were in charge of Mrs. Richard Stanley. During the business session the following officers were elected:

President—Mrs. Emma Cully.

First vice president—Mrs. Mary Dinwiddie.

Second vice president—Mrs. Charles Martin.

Treasurer—Mrs. Rose Cully.

Secretary—Mrs. Edna Mawson.

Corresponding secretary—Miss Ella Blackburn.

Mite box secretary—Miss Pearl Dewees.

Extension secretary—Mrs. Ed Patterson.

Superintendent of children's work—Miss Edna Bracewell.

Music for the meeting was furnished by Misses E. J. Dewees and Helen Butler. Mrs. E. E. Dewees and daughters assisted Mrs. Patterson as hostesses.

### STATE INSPECTOR OF CATTLE IN COUNTY

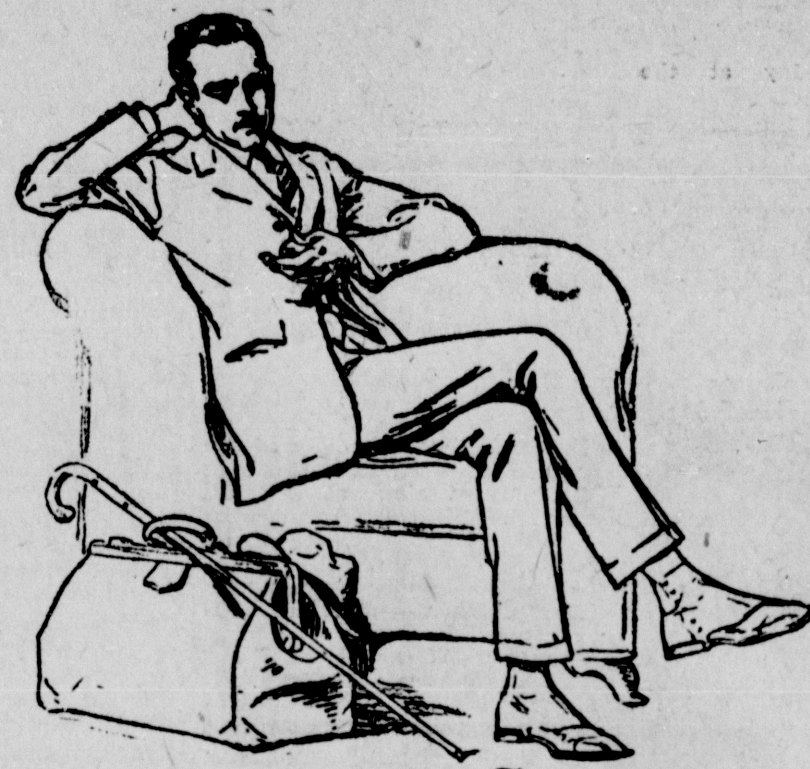

H. C. Garvey of Springfield, a representative of Dr. Laird, state veterinarian, was in the city yesterday. Mr. Garvey is engaged in the inspection of herds of cattle which have recently been shipped in to the state and which are now held in quarantine. It is a requirement of the state department of health that all cattle shipped into the state must have a certificate of health. An official tuberculin test must be given at the end of 60 days if the cattle are to be held here, this test being made at the expense of the owner.

### DETOUR IS SHORTENED

The detour east of Bates on the hard road has now been reduced to about a mile and a half, according to report of Harley Adams, who yesterday made the trip to Springfield by automobile. There is a good prospect that the detour will soon be done away with entirely.

### TO ATTEND LODGE MEETING

Richard Reynolds of Jacksonville lodge No. 570, and Jean Curtis of Harmony lodge No. 3, will represent their respective lodges at the annual meeting of the Grand Lodge, A. F. & A. M., for the state of Illinois. The annual meeting is to be held at Chicago on October 4, 10 and 11.

### FAREWELL SUNDAY TO WOODSON MINISTER

Rev. and Mrs. A. E. Powell to Leave Next Week for New Field—Unity Workers Met Yesterday

The annual Harvest Home dinner of Unity Presbyterian church at Woodson will be held at Coulton Hall next Sunday. This will also be a farewell gathering of the members and friends of the church for the pastor and his wife, Rev. and Mrs. A. E. Powell. They expect to leave next week for the pastorate of the Irish Grove Presbyterian church near Fancy Prairie, Ill. Rev. Powell has been pastor of the church at Woodson for the past five years, and his work there has been of a kind appreciated greatly by the members and the community as a whole. All members and friends of the church are cordially invited to attend the dinner and bring well filled baskets.

The Unity Workers of the church held a meeting yesterday afternoon at the home of Mrs. John Hoagland. Devotional exercises and a business meeting took up most of the afternoon. It was decided to hold a market at Dorwart's meat market on Saturday, Oct. 6. The committee for October and November was appointed as follows: Miss Jane Allen, Mrs. John Baxter, Mrs. J. S. Butler and Mrs. Edna Sorrells. A solo by Mrs. A. E. Powell closed the meeting.

Rev. Powell will preach his farewell sermons to the church next Sunday. He goes to a field where the membership is somewhat larger than that of the Woodson church.

### CLARENCE MOSIER DIES AT WHITE HALL

Deceased Had Long Been in the Service of the C. B. & Q. as Station Agent and Telegraph Operator

White Hall, Sept. 27.—The death of Clarence Mosier, one of the old station agents and telegraph operators on the Burlington, occurred at 10:45 p. m. Wednesday in his home on East Bridgeport street. He had been ill for about two years, and his declining health necessitated his giving up telegraphy at the Burlington station here about a year ago.

Mr. Mosier was 64 years of age last May, he having been born at Fortbair, New York, May 12, 1859. He came with his parents to Illinois when he was quite young, locating at Erie, Whiteside county, and there he took up the study of telegraphy by sound. At the age of 22 he became agent at Wrights, where he and Miss Louisa Kesinger were married Nov. 1, 1881, after he had served two years with the old Rockford road there. The couple soon after their marriage went to Missouri, where Mr. Mosier served as agent for the Santa Fe at Rutledge and Wyandora for a period of three years at each place. Then he returned to Wrights, where Mr. Mosier was engaged in the mercantile business for a number of years. Six years ago, when the demand for railroad help became urgent with the war conditions, Mr. Mosier returned to the service of the Burlington by becoming a telegrapher at White Hall. The family purchased property and have since been citizens of White Hall. His wife died August 10th last.

### THE CHILDREN ARE MYRTLE, WIFE OF J. H. KESINGER, WRIGHTS; NELLIE, WIFE OF W. E. HAIST, WRIGHTS; W. K. BEARDSTOWN; EDWARD M. WRIGHTS; AND MILDRED, WIFE OF RUSSELL ROODHOUSE, WOOD RIVER.

A sister, Mrs. Mary Pollard, resides at Albion, N. Y., and a brother, J. E., at Rock Falls, Ill.

The deceased was a Mason, M. W. A. and O. R. T. Funeral services will be held in the M. E. church at Wrights at 11 o'clock Saturday, the discourse being delivered by Rev. Thomas Symons of Rockbridge assisted by Rev. W. W. Lewis of White Hall. Burial will be in the Hickory Grove cemetery.

### WAS BUSINESS VISITOR

A. B. Green, cashier of the Winchester Farmers' bank, was a business visitor in the city yesterday. He reported the roads between Jacksonville and the Scott county line are in fine shape but that the roads in Scott county show the lack of proper attention.

## THINK MUCH CORN WILL BE SOFT WHEN CRIBBED

Interviews with farmers from different counties while attending the state fair reported in the Bloomington Pantagraph brought out several opinions to the effect

that much of the corn will be soft when it goes into the cribs and that unusual precautions should be observed in ventilating the cribs so that the corn will improve in quality.

Frost injury done a week ago was not nearly as noticeable as it is now. It is evident by the total lack of green in many

fields; it is an extremely spotted injury and it extends as far south as Tuscola.

The injury to fields depends on the condition of the ears of corn at the time the frost came, on September 13. W. B. Elliott, of Knox county, says the frost caught a lot of the corn so immature that it will go into the cribs in a soft condition. And drought had already cut the corn crop in half in eastern Knox, western Peoria, and in portions of Stark and Henry counties, according to Mr. Elliott, and the frost injured the remaining half to a great degree. Only about a fourth of a normal corn crop will go into the cribs in good condition in that area, he estimates. The drought cut almost twenty bushels off the oat crop too, he asserts. That area was very dry all summer and not a single shower came during the threshing season. Today the stubble looks as though the grain was cut yesterday, for the moisture was not sufficient for the weeds to grow.

Joseph Meyers of Stephenson county, says that much of the corn was immature in his county when the frost came. Meyers and his relatives have for four-

teen years made county exhibits of farm products at the state fair and they have never failed to capture the blue ribbon for the northern district.

The Pike county exhibit at the fair includes several bushels of corn that was picked before the frost, and it is dry enough not to be hurt by the frost.

J. C. Hackman, University of Illinois, who judged the utility show at the fair, said that some fields of late corn were injured badly by the frost in Champaign county. Those who are growing the earlier utility type are injured much less. He believes that such an early frost will help in making the utility type of corn more popular.

### DURBIN.

## Does It Affect You?

—that depends on what flour you use

The woman who bakes at home owes it to herself and her family to know the truth about the present wheat situation.

There is not a surplus of good strong wheat, but a shortage!

Drought and “rust” just before harvest ruined much of the new crop of hard winter wheat so that it is nowhere near as large as originally predicted. Latest Government and State reports now show it to be 120,000,000 bushels less than last year's crop.

The strong gluten hard wheat indispensable for making high grade family flour is scarcest of all. However, by paying the necessary premium and exerting greater effort, we are getting the same highest standard wheat as always and will continue to use only the best part of the kernel in Enterprise.

No matter how conditions may affect the average grade of flour produced, you can always depend on Enterprise.

## NEW BIBLE RENDERING AN INTERESTING TALE

Recent Attempt Calls to Mind Attempts Made Over Many Years.

Chicago. (AP)—While ministers and laymen are discussing the translation of the new testament by Professor E. J. Goodspeed, University of Chicago, into every day English, a long row of ancient Bibles at the Newberry Library here offers evidence that the same controversy has been going on at least 600 years, according to Pierce Butler, authority on early printing.

The Newberry contains virtually all the originals on the subject of how the Bible should be rendered in English. Many of them are suggestive of the old days when translating the Bible did more than cause criticism of the first one published in English was Wicliff's new testament 1380, manuscripts of which are extremely rare. The only reason that Wicliff died in his bed was that he had so many followers that nobody dared touch him, said Mr. Butler. Like Professor Goodspeed, Wicliff and his disciples wanted a translation in every day speech.

This is an explanation from the 60-page defense of the plan which appeared in later editions: "First it is known that the best translation is out of Latin into English, to translate after the sentence, and not onell after the words, so that the sentence be as opin, either openere, in English as in Latin, and go not fer fro the letter."

Tyndale's Work

Although this ancient manuscript is not at the Newberry, the Bible of the next man who tried his hand at what he called "plough boy English" was William Tyndale, who later met death for his act. Not the least of the criticisms made against

him was that he eliminated various terms dear to the hearts of the clergy.

Then came Miles Coverdale, 1537, who got out an English edition with the authority of the king and with the beloved terms replaced. Two years later came the so-called Great Bible.

There are many other Bibles in the Newberry collection that recall vigorous criticism. The Bishop's Bible, 1568, pleased as a translation, but the pictures shocked the devout—Leda with her swans sprawled across a page, and a cut of the Earl of Leicester, whose relation to the subject was considered somewhat dubious.

**The Geneva Bible**

The Geneva Bible, translated by Protestant refugees after the accession of Queen Mary, still bears the name of "The Breeches Bible," because in the story of Adam and Eve the first man and woman are said to have made themselves breeches from fig leaves. The Douai Bible was printed by the English Catholics in 1609-10, refugees in their turn. This version is said to be an almost literal translation of the Latin Vulgate.

It is sometimes known as the "rosin Bible," because the familiar line, "There is no balm in Gilead," is translated "There is no rosin in Gilead." In another version the construction is "There is no treacle in Gilead."

All translations should be made into every day English," Mr. Butler said. "Modern scholars know that the Greek of the new testament is vernacular Greek, that is, the Greek of the people, and not the literary language. Why, then, should not English translations be in homely every day speech?"

**WOMAN'S COLLEGE NOTES**

Miss Marian McOmber, field secretary for the Illinois Woman's College, is a guest for a few days at I. W. C. Miss McOmber will continue her work as field secretary for the coming months.

S. C. L. Wallace of Canton has been a guest at I. W. C. for the past two days. Mr. Wallace is the father of Miss Janette Wallace, class of '23, who died last April, and is greatly interested in the college because of his daughter's associations there. He came to meet the girls whom his daughter had known, and to see the places where she had spent her time while in college here, and was very much cheered when he left.

## UNIVERSAL TONGUE GROWING POPULAR

DRESDEN. (AP)—Original poetry in Esperanto, the universal language, has begun to appear in polyglot centers where Esperanto is popular. Many national songs of various lands have also been given an Esperanto text and published with the words and music.

In pointing out the advancement made in Esperanto toward popularity in nearly all parts of the world, advocates contend that Esperanto shorthand writing has been taken up by a great many young persons as a by-profession, and they predict that eventually their language will be taught in schools.

According to Esperantists there are more than 2,000 persons in Dresden alone who read, write and speak the new language. There are many Esperantists also in Leipzig, where an Esperanto Institute was founded several years ago.

The headquarters of the Esperanto world union is in Geneva, with branches in all the cities and principal towns of most countries. The Esperantists have their own newspapers with subscribers throughout the world. Translations of famous authors and original books may be purchased in Esperanto, one of the

large publishing houses in Leipzig having one department devoted to products of this language.

The inventor and founder of Esperanto was Dr. L. Zamenhof, a Russian physician born in 1859.

# Where did that word "style" come from?

**IT'S** an important word; everybody wants it in clothes. The word originally came from the Latin "stilus" meaning a writing instrument, a manner of writing, or a mode of expression

In these days "style" is really a "manner of writing" about the man who wears it. If the style is good it says he has taste, judgment, respect for himself—

The style you'll get here will say these things about you; it's good; Hart Schaffner & Marx style

STATION IS  
BUILT IN CLEVELAND

est of Its Kind Depending  
sively On Storage Bat-  
Power.

most powerful radio broad-  
station in the world re-  
clusively on storage bat-  
power put its opening pro-  
gram to the air on Wednesday  
September 26th when  
the large new broadcast-

ing station of the Willard Storage  
Battery Company of Cleveland  
joined the ever-growing ranks of  
radio transmitting stations.

On a wave length of 390 meters  
this company, one of the largest  
and best known manufacturers of  
automobile and radio batteries  
in the country, will broadcast its  
opening program from one of  
the most powerful stations yet  
built.

WTAM has installed a 1000  
watt transmitter, making it one  
of a very few with such high  
wattage. WGY at Schenectady,

heard all the way around the  
world, is transmitting with 1000  
watts.

The new station has been  
erected on a large lot adjoining  
the immense Willard plant. A  
substantial building to house the  
station provides separate rooms  
for the transmitting equipment,  
storage batteries, reception par-  
lor and studio, with commodious  
dressing rooms for the artists  
who will entertain the invisible  
audiences.

The outstanding and unique  
feature of the Willard station is  
that it not only has 1000 watts  
for transmitting but that storage  
batteries, which have for some  
time been recognized as the ideal  
source of power for clear and  
steady transmission, are being  
used exclusively. Huge racks of  
storage cells provide the 2500  
volts required by the 100 watt  
transmitter.

The station has been so plan-  
ned and built that no moving  
machinery is in or near the sta-  
tion. Even the machinery for  
control of ventilation and heat-  
ing is remotely situated from the  
building.

An unusual form of aerial is  
employed specially designed to  
eliminate static interference. The  
antenna consists of 12 wires in  
a double cage of 6 wires each.  
This aerial has a span of 100  
feet, with a weight of approxi-  
mately 300 pounds. It is sus-  
pended at a height of about 135  
feet between the two 140 foot  
towers. The giant towers are  
constructed of 4-inch angle iron  
to a height of 112 feet, the re-  
maining distance being covered  
by 38 foot masts of wood. Stand-  
ard steel guys, with numerous  
strain insulators are set into  
concrete piers for back bracing,  
and the legs of the towers are  
deeply seated in more massive  
piers of concrete.

A counterpoise, 60 feet wide  
and 250 feet long, is supported  
by 12 inch I beams 12 feet tall  
immediately beneath the spread of  
the aerial. This counterpoise is  
composed of twelve 250 foot  
lengths of antenna wire spaced  
5 feet apart.

The station is ideally located  
for perfect transmission. Eight  
miles from the business center of  
Cleveland and one-half mile from  
Lake Erie, there is no distur-  
bing element to mar its transmis-  
sion. It is more than a quarter  
of a mile from the nearest elec-  
tric car line, minimizing a factor  
which is often troublesome to  
broadcasting stations.

### THEY BRAVED DEATH

When the U. S. destroyer "Young" ran on the rocks off Santa  
Barbara with six other war vessels recently, Roy C. Laird, radio  
operator (shown seated), sent out the SOS. While helping to get  
life lines to other boats his feet were cut badly. Inset is photo of  
Olaf Peterson, chief boatswain of the "Young," who swam through  
a violent sea to rescue comrades of another vessel.

### MEREDOSIA

Meredosia, Ill., Sept. 26—Mr.  
and Mrs. George James passed  
their thirty-fifth wedding anni-  
versary Wednesday. The event  
was celebrated in a quiet way by  
receiving congratulations and  
visits throughout the day by their  
many friends. Mrs. James is 73  
years of age and Mr. James is  
84 years. They were born and  
married in Cass county and have  
spent their entire lives in that and  
Morgan counties. They are en-  
joying good health at present  
and are very active in church  
work. Mr. James is a veteran of  
the civil war, having served  
about three years.

The Standard Bearers society  
gave a farewell party for Miss  
Myrtle Hyatt Tuesday evening at  
the home of Mrs. Albert Telling,  
before her departure with Rev.  
G. W. Holmes and family for  
Payson to reside. Those attend-  
ing were attired in hard time  
costumes which created much  
mirth throughout the evening.  
Refreshments served were also  
in keeping with the hard times.  
Mr. and Mrs. Henry Dickman  
and two daughters of Arenzville,  
Herman Werries and family of  
Chapin and Ernest Koch and  
family living north of here were  
entertained at the home of Mr.  
and Mrs. Henry Alhorn Sunday.  
John Risor went to Spring-  
field Tuesday and was accom-  
panied home in the evening by  
his wife who has been a patient  
at the hospital there for the past  
two weeks.

Mrs. Terma Masterson was  
taken to Jacksonville Tuesday  
and placed in Dr. Norbury's san-  
atorium for treatment. Mrs. Mas-

terson just recently underwent a  
serious operation which has left  
her in a very nervous condition  
which will require the attention  
of a specialist for a time.

Mr. and Mrs. Elmer McDaniel  
of Chapin were business visitors  
here Monday.

Mrs. E. G. Gray of Bluffs was a  
visitor here Monday.

John Telling of Danville was a  
business visitor here Wednesday,  
and while here visited his brother,  
Albert Telling and wife.

Mr. and Mrs. H. D. Berger,  
Edward Hanman and daughters,  
Wilma, Zeta and Dorothy, Her-  
man Werries and sister, Miss  
Anna were entertained Sunday  
at the home of Mr. and Mrs. W.  
D. Meier, living east of here.

Mr. and Mrs. Horace Fugate  
of Springfield have been in camp  
above town the past week.

Rev. G. W. Holmes wife and  
children Joseph and Harriet, left  
Wednesday for their new home  
at Payson, where the former has  
been assigned as pastor of the  
Methodist church for the coming  
year. The new pastor, L. T.  
Henninger and wife will arrive  
Friday. Regular preaching serv-  
ices will be held Sunday morn-  
ing and evening.

Mrs. Jesse Bauser and chil-  
dren of near Naples visited Wed-  
nesday with the former's mother,  
Mrs. Henry Rausch.

Will Carver of St. Louis arriv-  
ed Wednesday to attend to fin-  
ishing the carpenter work on the  
Carver building.

Mrs. Walter Hyde, Miss La-  
verne Unland and Miss Merle  
Bernett were Jacksonville visi-  
tors Monday evening.

Harold Gard and Lawrence  
Kistner were Jacksonville visi-  
tors Tuesday.

The south side circle of the  
Methodist Aid Society met at the  
home of the president Mrs. Geo.  
Butcher Tuesday afternoon.

Mrs. George Hyde was elected  
secretary and Mrs. Hal Naylor as  
Treasurer. Plans were made for  
the raising of funds for the pur-  
pose of repairing the church and  
parsonage. The north side circle  
met at the home of their presi-  
dent Mrs. T. W. Burdick the same  
afternoon and various plans  
made for the same cause.

Mrs. John Moultry was elected  
secretary and treasurer. They  
have chosen the name of "Sun-  
shine circle" and have taken as  
their motto "Let your light so  
shine."

The south side circle will meet  
again next Tuesday afternoon at  
the home of Mrs. George Butcher.  
Arthur Hinners of Chambers-  
burg was a business visitor here  
Wednesday.

# LATEST NEWS OF THE SPORTING WORLD

## INTEREST IN WORLD SERIES GAMES GROWS

NEW YORK, Sept. 27.—Interest in the coming world's series has not slackened because of the prospect that the same teams, the New York Yankees and Giants, will battle for baseball supremacy for the third successive year, if advance ticket applications pouring into the offices of both clubs can be taken as proof.

Executives of both organizations said today they were being flooded by requests for seats from all parts of the country.

The Yankees, American League champions, having won the right to open the series at their new stadium, already have tackled the task of filling orders.

The Yankee Stadium has a seating capacity of slightly more than 60,000, with sufficient standing room to accommodate from 5,000 to 10,000 more. The 20,000 seats in boxes and the lower grand stand, will be reserved and sold in advance.

The Giants, who they have not yet made the National League race a mathematical certainty in their favor, are preparing to sell tickets on the theory that they will face the Yankees again.

## PIRATES LOSE FIRST OF SERIES TO CUBS

O'Farrell Does Some Fine Hitting—Miller Hits a Homer—Grimm Also Gets Some Honors

CHICAGO, Sept. 27.—Bob O'Farrell's home run drive into the left field bleachers with two mates on base gave Vic Keen, a winning margin in the first inning, and Chicago easily won the first game of the series from Pittsburgh here today 8 to 2. Hack Miller of the Cubs also poled a homer with the aid of Outfielder Cuyler, who touched a high bouncer off Miller's bat and sent the ball into the bleachers. A man was on base at the time. O'Farrell sent two other runs across the plate with a double and scored his second time by working a double steal with Miller.

Rawlings' double and two infield outs gave the visitors their first run and Grimm's homer accounted for the other. Aside from these two innings Pittsburgh was unable to do much with Keen's pitching.

## FARM BUREAU NOTES

## Diseases, Ailments and Abnormal Conditions of Swine

Farmers Bulletin 1244 issued by the U. S. D. A. in June has much to say on the preceding. As a preface it has the following good advice to swine raisers: In many sections of the swine-raising states it is still customary, although a violation of the law, to attempt the shipping of diseased hogs to market instead of giving the ailing herd proper attention and treatment.

In numerous cases such hogs are affected with some contagious disease and not only succumb in shipment but spread the infection to others with disastrous results.

It would be much safer for the livestock industry in general, although, perhaps, less profitable to the owner, to hold sick hogs on the farm till they have received proper treatment and are fully recovered.

Federal and State regulations are intended to prohibit the moving of diseased swine from one point to another, and do much toward reducing the number of dead hogs reaching the market, and to lessen the dissemination of swine diseases.

## MEUSEL HURTS LEG IN SLIDING HOME

BOSTON, Sept. 27.—New York defeated Boston 8 to 3 today but in the eighth inning Right Fielder Bob Meusel injured his left leg in sliding into the home plate and had to be carried from the field. He succeeded in scoring from first on Schang's single. When the New York team arrived in Boston this morning First Baseman Pipp stepped off the car and because there was no porter's step in place sprained his ankle and could not play today.

Score:  
New York...303 000 020—8 10 0  
Boston...000 003 000—3 8 3  
Pipgrass and Schang; Fullerton, Piercy and Kleinich.

## FAMOUS ENGLISH RACE HORSE IN NEW YORK

NEW YORK, Sept. 27.—Papyrus, English derby winner, which is due to arrive tomorrow night aboard the Aquitania, has stood the ocean journey well and is in excellent condition, according to wireless advices received tonight from Basil Jarvis, the horse's trainer. The wounds in Papyrus' hind legs, suffered in the running of the St. Leger stakes, shortly before the departure from England, have healed, Jarvis added.

The Cunard company has erected a special landing stage to disembark Papyrus. Joseph E. Widener's palatial horse van with accommodations for both Papyrus and its stable mate, Bar Gold, will transport the horses to their quarters.

Race followers indulged in considerable language, when they noticed on the program at the Aqueduct meet today the prices which will be charged for admission to Belmont Park on October 20, the date of the international race: Enclosure, \$22.00; grand stand, \$11.00; general admission, including war tax, \$5.50; infield, \$1.50.

## OLYMPIC ATHLETES COME IN OCTOBER

Danish Delegation Expected to Draw Great Interest at Coming Recreation Congress

SPRINGFIELD, Ill. (By the A. P.)—The primitive gymnastics of 25 Olympic athletes from Denmark, including both young women and men under the direction of Neils Bukh, are expected to draw great interest at the Recreation Congress here October 8 to 12. They are scheduled for October 12, the last day of the congress.

Neils Bukh's training methods, which go back to primitive man, demand unparalleled bodily exertion. In the first stage, the primitive gymnastics, the exercises are ugly but go deep, producing corrective results in the physique, a remarkably short time. According to the "Politikon" of Denmark, Bukh is able to transform the stooping crook backed recruit to a statuesque, beautiful youth in a few months' time.

Beautiful Work  
The second phase of Bukh's training is rhythmic gymnastics. The exercises are beautiful.

The Olympic team which will appear at the Congress does not consist of professional athletes. It is made up of girls and young men from the farms of Denmark who have rapidly qualified as Olympic competitors in a few months time under Bukh's training. Both the primitive and the rhythmic gymnastics which Bukh developed will be demonstrated before the congress delegates.

Bukh's methods have revolutionized physical education in Europe. He trains the officers of the Danish army and has demonstrated his technique before the leading physical educators abroad.

The Danish delegation comes to America under the auspices of Community Service, the Playground Recreation Association of America, Russell Sage Foundation, Teacher's College of Columbia University and the Country Life Association of America.

## VIRGINIA SCHOOL'S GRID CARD ISSUED

Virginia, Sept. 27.—Franklin High school gridmen will be the foes of the Virginia eleven here today. It will be the second start of the season for Virginia, who is playing its first season of football after several years' layoff.

Twenty men have been reporting daily for practice. They fought Ashland to a scoreless tie last week. Many of the boys are light and most of them are inexperienced. Those who have had previous training are Flanigan at center, Davis at tackle and Williams at end. Sutherland is playing well at quarter. He captains the team.

Huffman, Ray, Wheelan, Kilham, Sawalish and Troster are the back field candidates. Bailey, Ratliff, Kinzer and Cooper are the guards. Zilio and Davis are tackles and Peterson and Paschal are trying for end berths.

The schedule for the remainder of the season follows:

September 27—Franklin at Virginia.  
October 6—Astoria at Astoria.  
October 13—Palmyra at Palmyra.  
October 20—Winchester at Virginia.  
October 27—Franklin at Franklin.  
November 2—Beardstown at Beardstown.  
Nov. 10—Astoria at Virginia.  
November 17—Open.  
November 24—Tentative with Elverton at Virginia.  
November 29—Ashland at Ashland.

## RELIEF IS ASKED BY URBAN SHOCKER

ST. LOUIS, Mo., Sept. 28. (By the A. P.)—A petition charging breach of contract and asking that Urban Shocker, star pitcher of the St. Louis Americans be declared a free agent, was served today upon Bill Friel, business manager of the Browns by Jerome F. Duggan, attorney for the pitcher. A copy of the petition, it was announced, has been sent to Commissioner Landis.

## ILLINOIS FIELD IS A MINIATURE LAKE

URBANA, Ill., Sept. 27.—Rain turned Illinois Field to a miniature lake today, but Coach Bob Zuppke sent his team thru its regular practice session, scrimmaging two teams against freshmen elevens. The youngsters, who were given the offensive, failed to gain during an hour's tussle against the "varsity."

Zuppke took advantage of the slippery field to spend the signal drill on pass formations. Melvain, "Swede" Hall and Rokusek, pulled down a number of long throws from Earl Britton.

Miss Mae Cornett has gone to Lincoln, Ill., and from there will go to Gibson City to attend the State Convention of the Disciples of Christ.

## APPLES

Mrs. Housekeeper, good Jonathan and Grimes Golden apples will be high this winter. We now have fancy Delicious at \$3.00 bushel, fancy Jonathan at \$2.50 bushel. Also a real bargain for a few days in some hand picked Grimes Golden. Order today. Phone 1282 or 197. W. S. CANNON PROD. CO.

## LOCAL TEAMS TO MEET SATURDAY

Jacksonville High School and I. S. D. Players Will Battle on Illini Field—Game Called at 2:30

Saturday afternoon the football season will be opened at Jacksonville when Coach Mitchell will send his huskies against Coach Robey Burns' I. S. D. Tiggers on Illini Field.

Several of last year's stars will be missing on both teams, but this contest should give both coaches a good line on the material they will have to work with this season.

The weather this fall has been ideal for football practice and both teams have been driven at top speed and should be in fine condition for the opening battle. The line-up of the two teams will be announced later.

## MEDIOCRITY MARKS

GRAND CIRCUIT RACE  
Columbus, O., Sept. 27.—(By The A. P.)—Four class events, mediocre in quality, featured today's Grand Circuit in which favorites were generally successful.

Pale Face, an equal choice with War Bride, won the first two heats of the 2:17 pace which had thirteen starters. Ruby Gateway, an outsider, won the final heat. June Marie was a straight heat winner in the 2:15 trot while The Sign kept up his string of successes by taking all three heats of the 2:10 pace.

Esque A. Hes, Chicago; Katherine L. Hayden, Jacksonville; J. F. Munis, Jacksonville; Mrs. Millie Jacinto, Jacksonville; James Wallace, Grantsburg, Ill.; Elizabeth Phillips, Griggsville; Thomas L. Bell, Saldora; Margaret Wolfe, Jacksonville.

George McKean of Woodson transacted business in the city Thursday.

## GENE SARAZEN HOPS INTO ADDED FA

PELHAM MANOR, N. Y., Sept. 27.—(By The A. P.)—Gene Sarazen, the black haired youth, stood the golfing world on head in 1922 with his amazing game, stepped to the fore in the professional golfers' association championship and his way to the semi-finals rather dramatically.

Tomorrow Sarazen, who the professional and the championships last year, meet "Wee Bobby" Cruikshank of Westfield, N. J., who umphed today in an extra match with William MacFarlane of Tuckahoe. Cruikshank at the 39th. In the other of the semi-final, Walter Hagen, victor over Fred McLeod of Washington, five up and four, will meet "Dapper George" McLean of Grassy Sprain Club, Bronx, whose uncanny putting eliminated Joe Kirkwood, the Australian, five and four.

## MUCH IRREGULARITY IN STOCK MARKET

**FINANCIAL.**  
Total stock sales 671,400  
shares.  
Twenty Industrials averaged  
\$8.53; net unchanged.  
High 1923: 105.38; low  
\$6.92.  
Twenty railroads averaged  
\$1.75; net gain 21.  
High 1923: 90.51; low 79.53  
Total bond sales (par value)  
\$9,137,000.

NEW YORK, Sept. 27.—Marked  
irregularity characterized today's  
stock market with closing prices  
generally showing little change  
on the day.

Failure of operators on the  
long side of the market to fol-  
low up the recovery started just  
before the close yesterday by  
Baltimore & Ohio's consecutive  
statement.

Speculators for the decline suc-  
ceeded in uncovering several  
weak spots such as Jones Broth-  
ers tea which broke more than 9  
points to 35½ a new low for the  
year, but the usual leaders offer-  
ed good resistance and prices  
turned upward again in the late  
dealings.

Cable reports indicating seri-  
ous differences between Bavaria  
and the German reich were gen-  
erally regarded as a disturbing  
factor and undoubtedly were re-  
sponsible for the reactionary  
trend in exchange. Demand  
sterling dropped more than half  
a cent to \$4.45; French  
francs slipped back five points to  
4.15 cents and German marks  
were off 14 points at 68 cents a  
hundred million.

Baltimore and Ohio was again  
the most active stock on the board  
nearly 80,000 shares changing  
hands during the day. The stock  
touched 57 and then eased off to  
56½, where it was up 1½ on the  
day. The preferred advance 1½  
to 51. Most of the other rail-  
roads improved fractionally, the car  
loadings for the week ending  
September 15 again exceeding the  
million mark despite the suspen-  
sion of hard coal mining in that  
period.

Active U. S. government bonds  
moved slightly lower.

**CHICAGO LIVESTOCK**

CHICAGO, Sept. 27.—Cattle re-  
ceipts 8,000. General trade dull  
at week's decline; desirable de-  
mand; many in-between grades fat  
cows and heifers practically un-  
available; top matured steers 12.00;  
best yearlings 11.80; several  
strings youngsteers 11.00 to 11.75;  
bulk fed steers and yearlings 8.00  
to 10.50; few above 11.00; west-  
ern grass steers mostly 5.50 to  
6.50; some highly bred about 600  
pound Wyoming yearlings to  
feeder buyers 7.25; canners and  
cutters closing weak; bulls 10 to  
15; lower; vealers largely 50c  
lower; stockers and feeders steady  
at week's sharp decline; country  
demand narrow, especially on  
meaty weighty kind; bulk veal-  
ers to packers around 12.00; few  
at 12.50 to 13.00 and above to  
outsiders; bulk hologna bulls  
carrying weight 4.00 to 4.50;  
western grass bulls largely 3.50  
to 3.90; light canners closing  
around 2.55; few 2.85 to 2.90;  
bulk stockers and feeders 5.25 to  
7.00.

Hogs receipts 27,000. Uneven.  
Desirable grades mostly steady at  
Wednesday's average, others dull,  
unevenly lower at close; bulk  
good and choice 180 to 325 pound  
average 8.05 to 8.30; top 8.30;  
desirable 140 to 160 pound av-  
erage mostly 7.60 to 7.90; pack-  
ing sows largely 7.00 to 7.25; bot-  
tom grades weighing killing pigs  
6.50 to 7.25; estimated holdover  
18,000.

Sheep receipts 24,000. Killing  
classes slow, uneven; few early  
sales fat native lambs to city  
butchers steady to strong at  
13.50 to 13.75; packers bought  
liberally of natives at 12.00 to  
13.00; looks full 50c lower; one  
band westerns for shipment at  
12.25, around 25c lower; others  
for slaughter at 12.55; generally  
25 to 50c lower; sheep very scarce  
around steady; feeding lambs  
strong to 10c higher; bulk 13.25  
to 13.35.

**Indianapolis Livestock**

INDIANAPOLIS, Sept. 27.—  
Hogs 6,500; steady; heavies 8.40  
lights 8.40; top 8.50; pigs 6.00 to  
7.50.

Cattle 800; steady; steers 6.00  
to 11.35; best cows 4.50 to 6.50;  
in heifers 5.00 to 9.00.

Calves receipts 450; higher;  
veals 10.00 to 14.00.

Sheep receipts 500; sheep 4.00  
to 6.00; lambs 8.00 to 12.50.

**NOTICE**

To Robert Gleason and to all  
whom it may concern:

You will please take notice that  
on the twenty-seventh day of  
September, A. D. 1923, a peti-  
tion was filed by Eva E. Voffa, in  
the County Court of Morgan  
County, in the State of Illinois, to  
have a certain child, named Irene  
Gleason, declared a dependent  
child, and to take from you the  
custody and guardianship of said  
child and to give said child out  
for adoption.

Now unless you appear within  
twenty days after date of this  
notice and show cause against  
such application, the petition  
shall be taken for confessed and  
a decree entered accordingly.

Dated this twenty-seventh day  
of September, A. D. 1923.

George L. Riggs,  
County Clerk
